3. **TOURNAMENT EVENTS:** The annual tournament shall consist of four championship events as follows: Team – five person; Doubles – two person; Singles – individual; All Events – individual. There will be a handicap and scratch division in each event. There will be an optional Senior Event in Singles and All Events (55 and over). The Scratch All-Events Champion will receive a paid entry to the 2018 USBC Masters Tournament (No Fee Required).
4. **AVERAGE AND HANDICAP:** A bowler's average shall be based on their highest 2016-17 sanctioned winter league average of 21 or more games in any one league. An entrant without an average for the previous winter season may use their highest 2017 summer league average of 21 or more games. An entrant without an average for the previous winter or summer season will be accepted and receive a handicap based on the highest average, with a minimum of 21 games in a league as of December 31, 2017. Bowlers without acceptable averages will be accepted with a scratch average of 220. Handicap will be based on 90% of the difference in a bowler's average and 220. It shall be the bowler's responsibility to verify the accuracy of their average (USBC RULE 319a3). Entrants who have qualified for a prize of \$300 or more in any one event in a tournament, \$500 in any one tournament, or \$1000 in all tournament (Certified or not) in the last 12 months prior to bowling in this tournament must report their actual score, position, and the amount won to the Tournament Director prior to bowling for possible rerating (USBC RULE 319d). USBC RULE 319e in its entirety shall apply. USBC RULE 319a-2 (ten pin rule) shall apply. When the previous season's average is used and the entrant's current average as of December 31, 2017 for 21 or more games is 10 pins or higher, the current average must be used.
5. **AVERAGE VERIFICATION:** The average reported on the entry form must be verified by the Team Captain. **The Tournament Director may require all averages of prize winners to be certified by the local association manager within three weeks after the closing of the tournament.** Bowlers who use an incorrect average may be disqualified.
6. **REPLACEMENTS:** No one may bowl in this tournament except those originally entered before entries close or such replacements authorized by the team captain or their appointees. All replacements must qualify with the Tournament Rules and the captain will be responsible for the verification of their tournament average. No changes in the five-person team lineup will be permitted except in the case of replacements. A replacement will bowl in the same position as the bowler replaced.
7. **MULTIPLE PARTICIPATION:** A bowler may be permitted to bowl three (3) times in the team event, once in the doubles and singles events. Bowlers must enter both doubles and singles if entered in either. When a bowler competes more than once, their first appearance shall count toward their all events score. No more than three players on the same team can place more than once in the prize list for position standings (USBC RULE 315).
